- Black polypropylene construction for strength and durability
- Pre-fitted with protective bottom foam layer and egg style foam layer in the lid
- Compatible with padlocks
- Resistant to corrosive substances like grease and acids
- Air lock to control air pressure for sensitive components & equipment
- IP67 rated, dust-tight and waterproof
- Weight 650g

# RS PRO Waterproof Plastic Equipment case, 90 x 210 x 170mm

RS Stock No.: 767-4989

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Look after your most valuable items with this sturdy, waterproof case from the RS PRO range. An integrated foam layer at the bottom and in the lid means delicate kit, such as electronic testing devices, stays safe in transit.

The lockable equipment case is made from tough polypropylene and comes with an IP67 rating. This gives you peace of mind that it's sealed against dust and is waterproof for up to 30 minutes when submerged in a metre of water. A top handle, compact size and lightweight material make it easy to carry in the field.
