RS Pro FW81 White Microfibre Shoe

RS Stock No:146-9011

Product Details

The classically styled RS Pro FW81 Slip-On Safety Shoe has a simple, minimal design making it practical, safe and durable. Features include steel toe caps, a slip and oil resistant PU outsole which resists temperatures up to 200°C and a water resistant microfibre upper. Anti-static with an energy absorbing heel. Machine washable at 30°C.
