# RS Pro 10mm Glass Fibre Brush - String Bound

RS Stock No: 183-5229

## Product details:

The 180mm x 10mm dia. string bound glass fibre brush is ideal for rapid cleaning, de-rusting and surface preparation on a variety of materials, especially in less accessible areas. The shorter the fibres showing, the more abrasive the action. Can be used on metals, plastics & wood.

## Features & Benefits:

- Cleans, deburrs, polishes & burnishes
- Fast working abrasive action
- Ideal for work on larger surfaces
