

## FEATURES

- Strong steel cable
- Prevents hose whip in case of accidental separation of coupling or clamp device
- Safety cable reaches across the hose fitting to provide stand by safety for the hose
- Spring-loaded loops in the cable ends open easily to pass over the couplings for a firm grip of the hose
- Thoroughly tested with years of proven service

# RS PRO Safety Products

RS Stock No.: 2509131

Whipcheck Safety Cable

22" Approx. length
