

# PRODUCT ANNOUNCEMENT

By Jos Meinema

11 February 2004

## **Fluke announces new series of accessories that increase visibility and reach at the test point.**

The new L series of accessories consists of probe lights, probe extenders and hat lights. These accessories will help customers see and reach test points safely in dark and recessed places.

### **L200 Probe light**

This small but rugged probe light attaches to any Fluke test probe. The probe light is distinctive Fluke yellow and packaged to be merchandised.

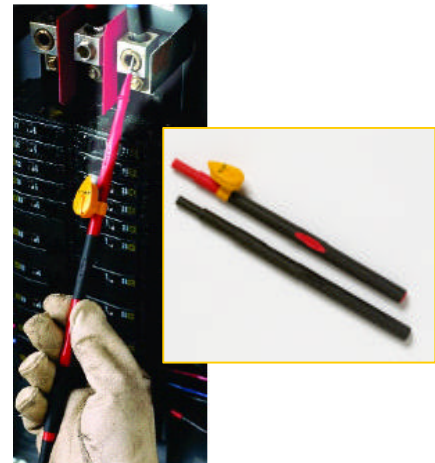

- Bright white LED
- 120 hours of battery life
- Uses two 3-volt watch batteries

### **L210 Probe Light + Probe Extenders**

Fluke's new probe light packaged with 20 cm probe extenders. Combine an extender with a modular test probe to move your hands 30 cm from the contact point. Utilities and other large customers are beginning to require a 30 cm test probe – this extender is how they'll get there.

- Includes L200 Probe Light and TP280 Test Probe Extenders
- 20 cm probe extenders keep hands away from live circuits
- Extender fits between modular test probe and test lead
- Small, rugged light frees both hands for work
- Bright white LED illuminates contact area
- 120 hours of battery life
- Uses two 3-volt watch batteries

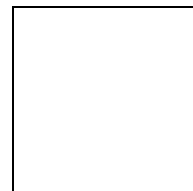

### **L215 Suregrip kit with Probe light and extender 468-7358**

The L215 Kit is ideal for those in high-energy environments. Be prepared with a modular test lead set that includes probe extenders and a light to illuminate those hard-to-reach spaces.

Includes:

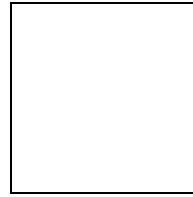

- L200 Probe Light,
- TP280 20 cm Test Probe Extenders
- TP220 SureGrip Test Probes,
- TL224 SureGrip Silicone Insulated Test Lead,
- Soft foldable pouch with six pockets with hook-and-loop

### L205 Mini Hat Light

Rugged, high intensity Xenon work light

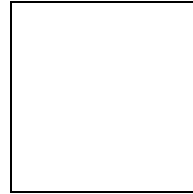

- Attaches to a baseball hat (hat not included)
- Includes hat clip
- Can be used as general purpose flashlight.
- Bright xenon lamp in a prefocused optical quality reflector
- Waterproof

### L206 Deluxe Hat Light

Attach it to a hard hat, a baseball hat or even a panel door for all the light you need.

- 3 super bright white LEDs
- 360° rotating clip
- Special hard-hat attachment included!
- 40 hour battery life
- Water resistant

### General data:

- Warranty: One year
