

FEATURES

- Suitable for a multitude of uses
- Easy to thread
- Self-locking fastener.
- Functioning like straps to keep cables tidy
- Available in a range of sizes and colours.
- Used for holding items together

RS PRO Black Nylon Cable Tie, 610mm x 9mm

RS Stock No.: 811-1672

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off. When threaded through the slot, the teeth of the cable form a lock which can't be pulled back through. These standard nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of lengths, widths and colours to suit all your requirements.

General Specifications

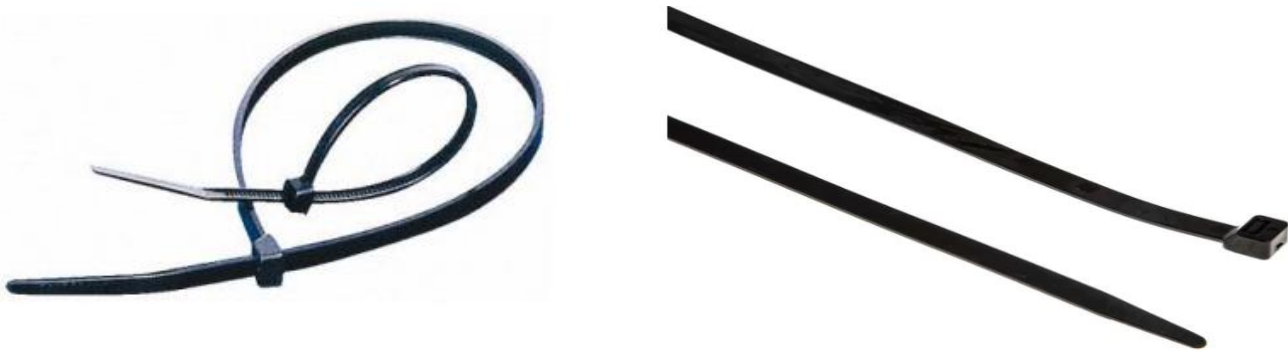

Type	Non-Releasable
Colour	Black
Material	Nylon 66
Application	Cable management Home/DIY Garden
Fire Behaviour	Flame Retardant
Quantity	100

Mechanical Specifications

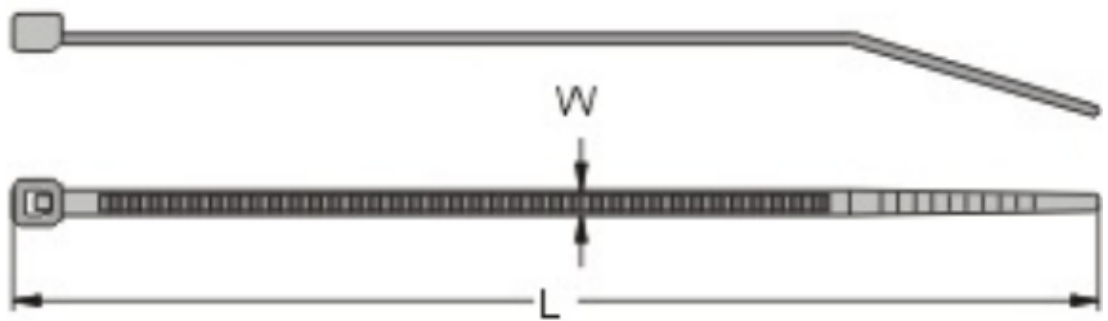

Length	610mm
Width	9mm
Tensile Strength	784N
Maximum Bundle Strength	177mm

Approvals

Standards Met	UL-94V-2
----------------------	----------

Material: UL 94V-2 Nylon 66 Black
