RS PRO 1920 x 1200 - HDMI to DVI-D Cable, Male to Male- 3m

RS Stock No.: 182-8569

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The HDMI male to male DVI-D cable from our trusted and reliable own brand RS PRO provides a fast digital connection to your screen, whilst producing high quality digital images directly from either an HDMI video source or a DVI-D source. This highly versatile cable is compatible with both HDMI and DVI-D technology, allowing you to connect a HDMI output device such as a video card to a DVI-D monitor/display and vice versa, making it a great addition to any home entertainment or multimedia application.
