Datasheet

RS Pro AT90DH Soldering Station 220V ac

RS Stock No : 1368737

Material: 6082 T6 Aluminium

Height: 40mm

Length: 1000mm

Width : 40mm

Form: Square Bar

Density: 2.70 g/cm³

Tensile Strength : 295 Min MPa

Thermal Conductivity: 180 W/m.K

Hardness: 95 HB

Suitability: Typically used in Highly Stressed Applications, Trusses, Bridges, Cranes, Transport Applications, Beer Barrels, Milk Churns
