- Ideal for use outdoors
- Excellent UV resistance
- Low Smoke
- Halogen Free cable tie suitable for various industry
- Prolong useful life

RS PRO Black Nylon Cable Tie, 750mm x 7.5 mm

RS Stock No.: 811-1527

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are weather resistant so can be used in outdoor applications. These ties are a one-piece, self-locking fastener and function like straps to keep cables tidy. They are available in a range of sizes
