RS Pro Natural Plastic Stackable Storage Bin, 80mm x 109mm x 172mm

RS Stock No: **513-2247**

Product Details

RS Pro plastic stackable storage bin in natural colour, measures 80 x 109 x 172 mm. These storage containers are designed to help you make the most of the space in your business. Manufactured from PP these containers combine the quality that you have come to expect with its revolutionary design enabling the bin to stack and nest. Containers are also designed to be used with our cabinets and shelving systems to make this one of the most flexible bins available.

Features and Benefits

- Material is capable of withstanding a temperature range from -15 to +50°C, however this may not apply when under load or stress dependent on use or application
- Can be used stacked or mounted on louvre panels, bench racks, trolleys or carousels
- Can be nested to save up to 70% of the used space during transport or storage
- Non-toxic storage bins are designed for ease of handling
- Resistant to most chemicals, including oil and acids
- Increased clear access facilities for easy selection
- Ergonomic design generates greater durability and strength
- Lifting handle on larger bins
- Moulded in card holder - each pack supplied with sufficient index cards
