

PRO - KLEEN 302

DESCRIPTION

Pro - Kleen 302 is a Specially blend Water-Based degreaser with excellent cleaning properties, The remarkable cleaning power of **Pro - Kleen 302** against organic soil means that it can often replace solvents or a solvent based cleaner.

APPLICATION

Pro - Kleen 302 is a heavy duty degreaser that is effective against oil, grease and other difficult soils. The major advantages of **Pro - Kleen 302** lies in its cleaning performance and versatility. Ideal for cleaning cargo tanks, ballast tanks, engine room walls etc.

Manual cleaning

Pro - Kleen 302 can be used concentrated or diluted depending on the soils conditions. It may be applied by rug, brush or scrub and follow with water rinse.

Spray Cleaning

Pro - Kleen 302 can be applied neat or diluted with 2-10% of water on oil/grease surfaces. Spray the solution at low pressure on the soil surface and allow 5-15 minutes before rinsing off with water.

Immersion Cleaning

- Heavily soiled parts: Use neat or mix 1 part **Pro - Kleen 302** with 1 part water. Agitation will accelerate cleaning. Soak as needed then rinse with water.
- Light duty cleaning: Mix the product with 2-10 parts water and soak for 5 minutes or as needed. Rinse with water.

BENEFIT & FEATURES

- Fat & grease remover
- Safe & effective for Tank cleaning.
- Removes soils from painted and unpainted surfaces.
- Suitable for manual, spray wash or immersion.
- Formulated to be Very cost effective
- No flash point.
- Biodegradable.
- Good anti redepositing capacity
