

### **FEATURES**

- Widely used in all kinds of battery packs
- High degree of inrush current capability
- Precise melting time
- Surface mount technology allows fuses to be directly attached to printed circuit boards
- Notebook Computer Wireless Base Station Networking Telecom System
- Significant savings in weight and real estate
- RoHS / REACH / AEC-Q200

# RS PRO, Fuse, Ceramic SMD LTCC Chip Fuse, Fast Acting, 10A-30A, 1206

RS Stock No.: 2522159 2522160

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Surface Mount Fuse — LTCC Chip Fuse

#### **Product Description**

Ceramic SMD LTCC Chip Fuse, Fast Acting, 10A-30A, 1206

**Applications:** 

- Notebook Computer
- Wireless Base Station
- Networking
- Telecom System
- Battery Management System (Battery Pack)

#### **General Specifications**

| Current Rating        | 10A, 12A, 15A, 20A, 25A |        | 30A                  |
|-----------------------|-------------------------|--------|----------------------|
| Voltage Rating        | 63V                     |        | 48V                  |
| Body Material         | Ceramic                 |        |                      |
| Interrupting Ratings  | 10A – 25A               |        | ፼ 63V DC<br>፼ 24V DC |
|                       | 10A – 30A               |        | ው 36V DC<br>ወ 48V DC |
|                       | 30A                     | 300A ( | <u>መ</u> 24V DC      |
| Operating Temperature | -55°C to +125°C         |        |                      |
| Country of Origin     | Taiwan                  |        |                      |

#### Electrical Characteristics

|                  | Opening Time |        |  |
|------------------|--------------|--------|--|
| Rated<br>Current | 1 In         | 3.5 In |  |
|                  | Min.         | Max.   |  |
| 10A-30A          | 4 hr         | 5 sec  |  |
