

FEATURES

- Washer kit
- Bonded seals
- Self-centering
- 125 pieces
- Metric sizes from M8 to M24
- Nitrile rubber seals offer resistance to many oils and chemicals
- Zinc-plated mild steel washers resist corrosion and pressure
- Seals are bonded to the inside of the washers
- Conforms to Electrostatic Control Standards ANSI/ESD S20.20:2014 and BS EN 61340-5-1:2007
- RoHS (Restriction of Hazardous Substances) compliant

RS PRO Self-Centring Metric Kit Nitrile, Kit Contents 125 Pieces

RS Stock No.: 705-8964

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Get a secure seal every time with this self-centring metric-bonded washer kit from RS PRO. The special self-centring feature of these seals uses a thin membrane with an internal diameter equal to the core diameter of the locating thread. They slip easily onto the thread and offer low resistance to help with assembly.

General Specifications

Type	Self-Centring Metric Kit
Material	Nitrile
Kit Contents	125 Pieces
Application	Pumps, cylinders and engines across industry.

Mechanical Specifications

Hardness	82 Shore A
Tensile Strength	16MPa
Elongation	241%

Operation Environment Specifications

Temperature Range Of Nitrile	-30°C to 120°C
Temperature Range Of FPM	-20°C to 200°C

Approvals

Compliance/Certifications	ANSI/ESD S20.20:2014 and BS EN 61340-5-1:2007, RoHS
