

## Datasheet

# 1/2" Drive Alloy Wheel Impact Socket Set

This high quality 3 Piece 1/2" Drive Alloy Wheel Impact Socket Set is made from high grade hardened chrome molybdenum steel for longer life, with sockets encased in a protective plastic sleeve to prevent damage to alloy wheels.

The set includes the 3 most popular sizes of impact sockets for a 1/2" drive impact wrench.

- Chrome Molybdenum Material
- For use with 1/2" impact wrenches
- All PCL sockets exceed ANSI specifications
- Features two grease rings for superior user grip
- Centre hole is punched through for extra depth on the work surface
- Offers Z-Drive, contacting the flat walls of fasteners for stronger grip
