RS PRO Waterproof Metal Equipment case, 410 x 580 x 385mm

RS Stock No.: 914-4086

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Designed to carry delicate or valuable items during transit, this equipment case is ideal for both personal and commercial use. The tough aluminium-alloy handles are protected with plastic and have a comfort-grip finish. There are easy lugging and stacking locators on each corner of the case. This ensures that storage in shipping containers and warehouses is simple and easily organized.
