RS PRO Cat3 RJ45 Female, RJ45 Male Extender, 1 Port, 2 m Extension Length

RS Stock No.: 186-3161

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this Cat3 RJ45 extension lead is an excellent addition to your network cabling solution. The cable is 2 m in length and is ideal for extending network cable assemblies, meaning your RJ45 device has extra mobility around an RJ45 socket. The socket is constructed from durable ABS resin, and features gold over nickel plated contacts for assured connectivity.
