RS Stock No.: 584-227

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO 84 HP Aluminium Rack Cases

This range of aluminium rack cases from RS PRO offer an excellent storage solution for rack mount systems. The external case is manufactured from aluminium, ensuring a highly durable and robust chassis. The top, bottom and rear panel feature an anodised aluminium construction further enhancing the durability whilst offering excellent corrosion resistance, whilst protecting internal components. These high quality rack cases conform to IEC297 standards and offer a sleek and modern design suitable for a wide range of applications.
