## RS PRO 250mm Flat Cable Shears

RS Stock No.: 359-548

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From the trusted RS PRO brand, this ribbon cable cutter is the most efficient way to cut neatly ribbon cables. Unlike most cable cutters and nippers, it has a long blade to apply an even cut across wide, flat cables. It also features a built-in cable guide to ensure a perpendicular, crush-free cut that doesn't warp or deform the cable cores.
