

## 115iHD45

The Husqvarna 115iHD45 Hedge trimmer is easy to use, easy to handle – and quiet enough for seasonal use in residential areas. Comfortable and durable, it offers powerful performance with no direct emissions. Safe, convenient starting via the intuitive keypad, efficient brushless motor with savE™ function for extra runtime and long-lasting Li-ion battery make it a great choice for homeowners.

### LI-ION POWER

The Li-ion battery provides long lasting power and top class performance.

### SAVE™

Choose savE™ for maximum runtime.

### WELL BALANCED

Well balanced for easy handling.

### ERGONOMIC HANDLE

Ergonomically shaped handle for greater comfort and easy access to the controls.

## Features

- Aluminium gearbox for efficient cooling and long product life
- Quiet operation
- The key pad is very easy to operate.
