RS PRO Hex Key, L Shape 5mm

RS Stock No.: 734-927

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this high-quality hex key set is a handy way to keep differing allen key sizes all in one place. The L-shaped key has a long arm, and so is ideal for deep-set bolts.

The hex key is corrosion resistant and is made from chrome-finished S2 steel, for a long and dependable tool life.
