RS PRO 170 mm Wire Stripper, 0.2mm → 6.0mm

RS Stock No.: 176-3400

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the automatic wire stripper from our trusted and reliable own brand RS PRO, a durable and convenient hand tool designed to safely cut and strip the sheath from common stranded and solid conductors of 0.2mm² to 6.0mm². The RS PRO wire stripper features a removable adjustable length stop of 5 to 12 mm, making it a versatile wire stripper and cutter that can be used in a range of applications. Another useful feature of the RS PRO wire stripper is the easily accessible built-in side cutter designed with simplicity in mind.
