

Datasheet

RS Cable Marker, Pack of 100

RS Stock number 492-336

ENGLISH

A range of white (natural) marker plates in six different sizes. These plates have a unique design with round holes instead of slots which allow the plates to be mounted vertically or horizontally, so that they can be used as tags, flags or wrap-around identification plates.

- **Material:** Nylon. (Natural)
- **Suitable ties:** 4.8mm or less
- **Can be marked with:** Nylon marker pens
