

Datasheet

RS PRO, DC Motor Controller, 6 - 15 V dc, 3 A, Panel Mount

Stock No: 752-2009

**Specifications:**

Supply Voltage	6 – 15 v
Current Rating	3 A
Voltage Rating	6 – 15 V dc
Compatible Motor Type	Brushed DC Motor
Mounting Style	Panel Mount
Length	66mm
Width	58mm
Depth	40mm
Weight	39g

NOTE:

The products optimum performance is at 12v dc. Using lower voltages, although useful, will alter the products performance and consistency in operation.
