Stock No. 161-1963

RS PRO Soldering Iron for 161-1962

Specification:

Product name: Soldering iron

Fit for: 161-1962 soldering station

07/11/2017

Rated Power: 50W

Material: 50W (161-1963) — Plastic, Rubber, Metal, Stainless steel, Four core stainless steel heater

Input voltage: 220V

Heater impedance: 50W (161-1963) — 13.5 ohm (12-13.5ohm)

Handle size: 22.7*2.1cm Total Length: 1.35m

Color: Black

Weight: 90G

Package Content: 1×soldering iron handle
