

Datasheet

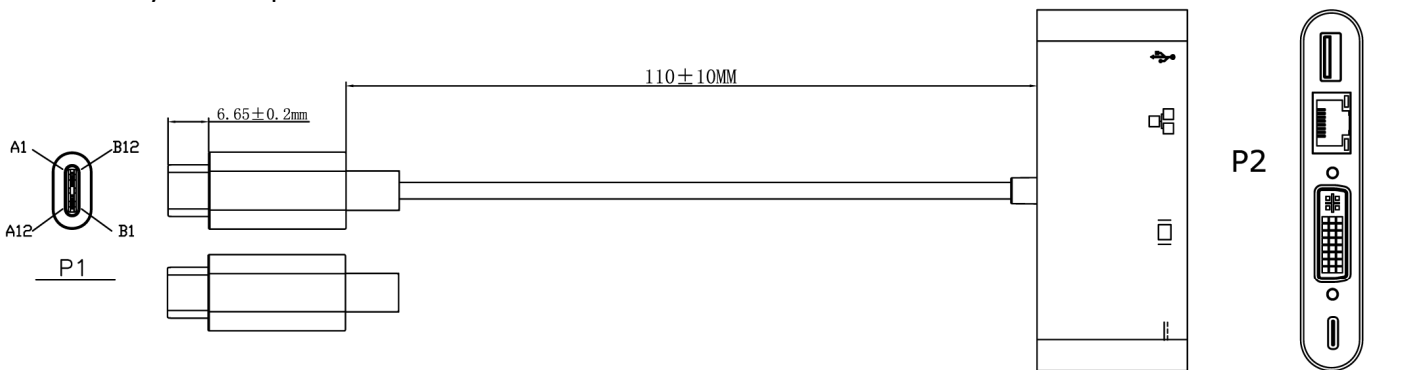

RS PRO USB Type C to DVI, USB and Gigabit Adapter with PD

Stock number: 192-4689

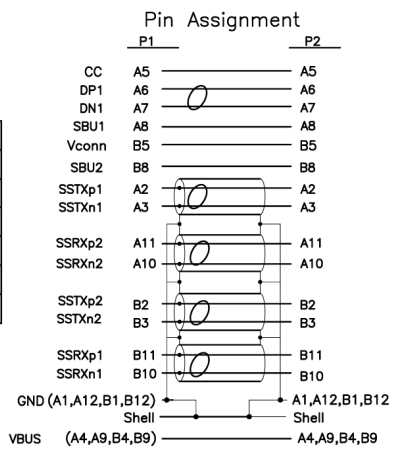

EN

The RS-PRO USB type C (male) to DVI, USB Type A, RJ45 and USB Type C (female) adapter is designed to let you connect a DVI monitor to a computer or graphics card that has a USB type C output supporting DisplayPort Alt mode.

The adapter also has a USB Type A socket allowing you to also connect a USB device such as a mouse or keyboard, the USB type C socket is for Power Delivery. The RJ45 socket allows you to connect Gigabit Ethernet to your computer.
