

Stripping Tools

Coax-Stripper No. 2 Green Line

With the Green Line, a very special tool range has been developed. The tools are made of up to 97 % renewable raw materials, which are recyclable and have an excellent life cycle assessment. The Green Line includes various cable strippers, wire strippers, and multifunctional stripping tools. WEICON Stripping Tools enable the precise, fast, and safe stripping of all common round cables. The product family of cable strippers includes different types featuring different additional functions and thus meeting the individual application requirements of their users. WEICON Stripping Tools enable the fast and safe stripping of all common round cables. The product range of stripping tools includes different types, which provide easy handling and accurate results.

Handy and simple stripper with a precise cutting pattern for gradual stripping. The first sheath of the coaxial cable, for example, can be removed with the knife of the stripping tool on side A. With side B, the inner conductor is then stripped. The housing components are made of high-grade, wear-resistant polyamide. This tool can be used in skilled trades and various industries.

Technical Data

Cable type	coaxial cables, resp. antenna and transmission cables
Application area	NYM 3 x 0.75 mm ² , stranded cables 10 mm ² , 16 mm ²
Additional use	gradual stripping possible due to 2 different blade distances
Material	fibreglass-reinforced biopolymer such as polyamide
Inner blade	built-in, not replaceable
Approval / certificate	safety tested by TÜV NORD
Weight	28 g
Length	110 mm
Article number	55000002

Attention:
Tool not to be used on live cables or conductors.
