## RS PRO COMPACT PREFORMED AIRLINE COILS - EC

Stock number: See Table

EN

1. BSP Male Swivel With Spring Guards
2. Impact modified PA12

An off-the-shelf solution satisfying all market sectors requiring a lightweight Type 12 Nylon airline coil with high resistance to oil, organic and non-organic media.

### Key Features:

- Excellent flexibility / retention.
- Light weight.
- Superior flow characteristics.
- BSPT Male Swivel fittings (compression) complete with anti-kink spring.
- Suitable for horizontal and vertical applications.
- Temperature range -40oC to +80oC.
- Maximum Working Pressure = 15 bar.
- RoHS 3 compliant.
- REACH compliant.

### Sizes:

8mm, 10mm & 12mm OD in working lengths of 2.5m, 5m, 10m and 15m. Fittings 1/4 BSPT and 3/8 BSPT.

### Applications:

- Industrial air tools
- Production line assembly
