Micro Cutting Electronics Plier

Description

The Multicomp PRO MP700394 features precise and durable cutting action. Thin profile handle and lightweight design is perfect for cutting soldering leads and electronics work.
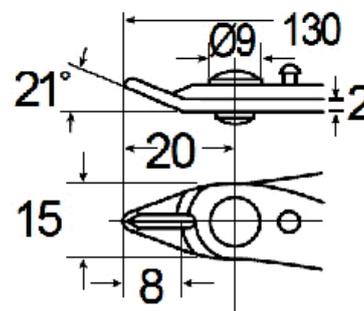

Heavy Duty Electronics Cutter

Description

The Multicomp PRO MP700395 cuts round and flat cable, coax, nickel, Kovar, and other heavier solder wire. Longer handle design significantly reduces operator fatigue and increases leverage around sensitive electronics.
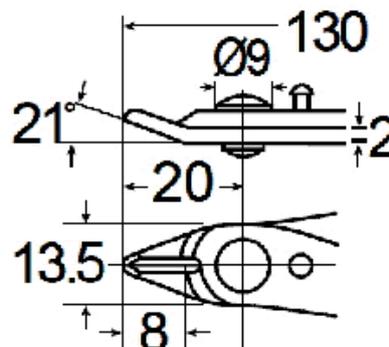

Micro Cutting Electronics Pliers W/Safety Clip

Description

The Multicomp PRO MP700396 features precise and durable cutting action. The thin profile handle and lightweight design is perfect for cutting soldering leads and sensitive electronics work.
