DOSH clarified in its website ([here](#)), that existing personal protective equipment (“PPE”) without SIRIM certification, DOSH approval and SIRIM-DOSH label is allowed to be used until the DOSH approved PPE expires. Thereafter, the next purchase must be PPE with SIRIM-DOSH sticker. If you have further questions on the New Requirement, please consult with DOSH.

Thank you for your understanding and appreciate your continuous support for 3M products.

Regards,
