Multipurpose PCB Guides
AB Series

multicompPRO

## Features

- Three versatile and attractive boxes in ABS with a matt finish. Their rugged yet simple features make them unobtrusive and ideal for domestic, commercial and office applications
- The lid is retained by 4 self tapping screws which can be inserted from either side and can be hidden by the matching plastic covers provided
- Vertical printed circuit board slots and integral stand offs are provided in both halves of the box. Vertical PCB guides and bosses moulded in lid and base of box
