## RS Pro Round Replacement Hammer Face

RS Stock No: **381-4717**

### Product Details

RS Pro replacement hammer face with round head, is made of PVC with a head diameter of 25 mm. A soft faced hammer, with which powerful blows may be struck without damage to materials, e.g. polished and treated surfaces during panel and equipment assembly. It is supplied fitted with two screws on nylon faces. It will not embrittle and will withstand harsh hammering treatment. The serrations in the chrome-plated zinc head prevent the faces from loosening in use.

### Features and Benefits

- Head diameter of 25 mm
- All sizes have cellulosed ash handles
- The other is a grey soft PVC face that is very resilient and shock absorbent for use on more delicate and fragile parts
- The nylon face is highly water resistant
- Made from PVC
- Ash wood handle
