## RS PRO Bench Vice x 100mm 150mm x 190mm, 18.5kg

RS Stock No.: 771-9287

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

From RS PRO, this high-quality drop-forged bench vice is ideal for general purpose applications. With parallel jaws for precision clamping, the vice is designed to be bolted to a bench for the secure clamping and holding of workpieces and materials. The fixed base and strong gripping jaws allow for complete confidence in professional applications.
