## RS PRO Chrome Molybdenum Steel Circlip Pliers

RS Stock No.: 851-7525

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Introducing adjustable circlip pliers from our trusted and reliable own brand RS PRO, a unique type of pliers with interchangeable heads that can be used to install and remove external and internal circlips from a range of appliances. These long-lasting RS PRO circlip pliers have a tough steel construction for a long and durable tool life. The tool also features contoured soft-grip handles for comfort over long periods of use.
