

FEATURES

- Light weight and compact design for easy carrying
- Two-speed operation and automatic switching
- Easy to operate, no need for a power source
- Cost effective and practical
- Durable, high performance

RS PRO Portable Hydraulic Hand Pump

RS Stock No.: 2349578

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Portable Hydraulic Hand Pump

Product Description

Light weight hand pump is small high pressure hydraulic pump that can transfer the mechanical power to the hydraulic power, usually matched with hydraulic cylinders for lifting and push the equipment, and also can be matched with the other hydraulic tools like hydraulic puller, hydraulic flange spreader for bending, cutting, assembling, dismantling etc.

- *Durable glass-filled nylon reservoir and nylon encapsulating aluminium pump base for maximum corrosion resistance*
- *Lower handle effort to minimize operator fatigue*
- *Handle lock and lightweight construction for easy carrying*
- *Large oil capacities to power a wide range of cylinders or tools*
- *Non-conductive fibre-glass handle for operator safety*

General Specifications

Model	2349578
Single/Two Speed	Two
Usable Oil Capacity	327ml
Plunger Stroke	12.7mm
Displacement per Stroke 1st Stage	3.62cm ³
Displacement per Stroke 2nd Stage	0.9cm ³
1st Stage Operating Pressure	13bar
2nd Stage Operating Pressure	700bar
Maximum Handle Effort	32.7kg
Outlet Type	NPT1/4

Mechanical Specifications

Length	310mm
Width	127mm
Height	137mm
Weight	2.5kg

Portable Hydraulic Hand Pump

Additional Information

Custom Tariff Number	8414200000
