## RS PRO LED Pocket Torch - Rechargeable 400 Im

RS Stock No.:186-4626

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Introducing the compact, yet powerful inspection light from RS PRO. Featuring a rechargeable Li-polymer battery, it provides 3 hours runtime on full power. Its beam has a 400 lumen output and creates a strong flood of light. The inspection light sits on a strong rotating magnetic base and is housed in a durable ABS enclosure with PC lens. Features a rotating nylon hanging hook and convenient belt clip, aiding placement.
