## RS PRO Matte Black Plastic Concealed Fixings Drawer Handle, 145mm

RS Stock No.: 267-1519

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

These black plastic drawer handles are part of the trusted RS PRO range. They're U-shaped bridge handles made from fibreglass-reinforced nylon, which is a corrosion-resistant material. You'd find them most commonly fixed to cabinets and cupboard doors.

Thanks to their matte finish, these versatile handles combine durability with a sleek look and comfortable feel. This makes them suitable for use in both domestic and industrial environments, from commercial kitchens to factory floors and laboratories.
