

PIG® High-Visibility Absorbent Mat Pad

MAT603 Heavyweight, 15" x 20", 100 pads

Everyone will know there's a cleanup in progress when you use our Yellow Mat. Hi-viz spill absorbents alert workers to potential hazards or repairs.

- High-visibility yellow color is easier to see in poorly lit areas to minimize tripping hazards; alerts workers to potential dangers and work in progress
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Pads are ideal for catching drips and soaking up spills
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
