

FEATURES

- Glass clear transparency
- Excellent abrasion and corrosion properties
- Good flexibility
- Low toxic, odourless PVC formulation reducing the taint of drinking water
- EC compliant for food applications
- Suitable for use with alcohol, petrol, oils, greases and solvents
- Highly resistant to a wide range of acids and alkalis

RS PRO PVC Flexible Tubing, Clear, 6mm External Diameter, 25m Long, 54mm Bend Radius, Applications Various Applications

RS Stock No.: 914-5515

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro clear PVC hose suitable for low-pressure food and industrial applications. This hose is manufactured from high quality, low toxic materials to give excellent clarity, flexibility and durability over a wide temperature range.

General Specifications

Material	PVC
Colour	Clear
Reinforced	No
Nominal Size	5mm x 8mm
Material Softness	BSS45 FDA Approved
Flammability	Self-Extinguishing
Application	General industrial applications; Scientific; Pharmaceutical; Medical

Mechanical Specifications

Inner Diameter	3mm
Outer Diameter	6mm
Length	25m
Bend Radius	54mm
Weight Per Meter	0.030kg
Coil Weight	1.91kg

Operation Environment Specifications

Minimum Operating Temperature	-15°C
Maximum Operating Temperature	+60°C

Approvals

Compliance/Certifications	RoHS compliant
