Product Description

From the trusted RS PRO brand, this 35 piece low profile socket set is designed for use in applications where space is tight. Ratchets and sockets are up to 30% lower in profile than a standard combination, making them ideal for difficult to access workspaces. Supplied in a handy hard case that keeps the ratchet handles and sockets, the dual ratchet handles and various sockets are organized neatly for efficient selection. The ratchet handles accommodate 1/2 inch and 3/8 inch square drive sockets, and a variety of socket sizes are supplied.
