RS PRO 316 Stainless Steel Rigid Conduit Metal 20mm x 3m 1.5mm

RS Stock No.: 471-1603

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

A range of Conduit, Fittings and Accessories manufactured from high grade stainless steel. These products are able to operate in many aggressive environments including conditions experienced offshore. They are ideal for applications in the food, brewing, dairy, pharmaceutical and chemical industries or anywhere that requires high pressure washdowns.

For Cable and Wire pulling lubricants see stock no. [196-3407](#) typically
For LSF Conduit Cables see stock no. [363-222](#) typically
