RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

A high quality insulated enclosure ideal for everyday environments. Multi-purpose for protection of electrical and electronic equipment. Constructed of ABS (Acrylnitrile Butadene Styrene) material which gives a smooth, high gloss finish, with good resistance to chemical attack and excellent insulating properties.

The enclosure comes complete with a hinged lid which is secured by quick turn screws.

Mounting plates are available.
