Product Description

The ViewSonic® VA708a is an eco-friendly 17" (17" viewable) LED monitor designed for governmental and corporate use which features a compact size, a 5:4 aspect ratio and a SXGA 1280 x 1024 resolution, allowing a more pleasant and efficient working environment. In addition to the mercury-free LED backlight, it also carries ViewSonic's exclusive Eco-mode that reduces power consumption based on different lighting environment and minimizes maintenance effort and costs. The built-in sRGB color correction technology ensures accurate image of color presentation and captures images in their true colors. Furthermore, it delivers ultra-fast 5 millisecond response time, creating smooth images without blurring or ghosting. With a 3-year warranty, Energy Star and EPEAT Silver certification, the VA708a definitely is a great long-term investment for business, government, or educational needs.
