RS Pro LC Field Installable Connectors

RS Stock No: 121-4220

Description:

LC field installable connectors (FIC) are factory terminated and polished to make fibre terminations fast, easy and reliable. These fibre optic connectors offer terminations in less than 2 minutes without any difficulty and require no epoxy, polishing or crimping. The FIC greatly reduces the installation and set up time. It has a window feature to allow testing with a visual fault locator.

Features:

- Polished connector incorporating a mechanical splice
- Available in singlemode and multimode (50/125 and 62.5/125)
- Durable, reliable and superior optical performance
- Compatible with standard LC adaptors
- Termination can be repeated 2-3 times
- Packaging comes with a cable/buffer stripping template
- Complies with IEC, EIA/TIA or Telecordia standards
- Fibre preparation kit available

**Specification:**

Description	
Fibre Type	Singlemode and Multimode
Insertion Loss	$\leq 0.4\text{dB}$ (Typical)
Return Loss (Typical)	50db/55dB
Polishing Type	UPC and APC

Applications:

- Rapid repair of optical networks
- FTTH end user termination
- Hazardous environment termination where fusion splicing is prohibited
