RS PRO 30cm USB – 2 PS2 Female Adapter

Stock number: 182-8780

EN

The RSPRO USB A male to PS2 female adapter has a beige PVC cable jacket, the PS2 mouse connectors have green hoods and the PS2 keyboard connectors have purple hoods.

This cable is used to connect a PS2 keyboard and mouse to a PC via a USB port. PS2 ports are becoming increasingly rarer on PCs and this adapter is a good option to utilise legacy keyboards and mice.
