RS Pro Torsion Phillips Screw Bits (Box of 10)

RS Stock No: 125-0337

125-0338

125-0339

RS Pro torsion bits have a longer torsion zone than standard screw bits which helps to give a longer service life. As these bits are more flexible, higher loads can be applied, making them ideal for harder screwing applications. Supplied in a compact plastic box.

Specifications:

- ¼" Hexagon Shank
- 25mm long
- Longer torsion zone

Kit Contents:

10 x Torsion Phillips Screw Bits
