RS PRO 2 Tread Steel Steps 0.375m Platform Height

RS Stock No.: 789-8481

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These compact and lightweight step stools from RS PRO are the perfect solution for gaining a height boost to assist with accessing areas slightly out of reach. The steps are manufactured from steel and include anti-slip rubber feet and ribbed rubber treads, providing a highly durable, safe and stable platform to stand on. The compact design makes the steps ideal for use in the home and can be stored with ease, making them ideal for use in areas with limited space.

What sizes are available?

These step stools are available in either:

- 1 Tread: [789-8488](#)
- 2 Tread: [789-8481](#)
