# RS PRO BARREL BOLTS - NECKED

RS Stock No.: 8938675,8938679

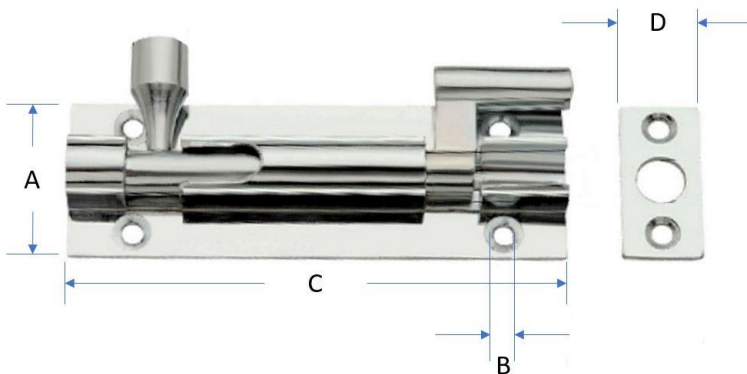

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

A necked barrel bolt is suitable for internal doors, cabinets, and cupboards, and has the advantage that it can be braced in its lock position. This is ideal where the door and frame are not flush.
