RS PRO USB-C 7-in-1 Leaded Adapter

Stock number: 2368995

EN

The RS-PRO USB-C 7-in-1 leaded adapter allows you to connect multiple devices to a USB-C port on your computer.

The adapter allows you to connect one HDMI display with a resolution of 4k@60Hz, two USB 3.0 ports (5Gbps, one port charges at 7.5w) it also has a SD/Micro SD card reader, a USB C port for power delivery 3.0 (100w, this port cannot be used for data) and a Gigabit Ethernet port.

The power delivery port allows you to connect your power adapter to the port and passes the charge through to your laptop or device and charges it.
