RS Pro PVC 10000mm Long Green Flexible Ducting Reinforced, Applications Various

RS Stock No: **917-4992**

Product Details

RS Pro 10000 mm long reinforced flexible ducting in green colour, is a lightweight PVC delivery hose which has been reinforced with a rigid internal crush and kink resistant white PVC helix. The hosing is tough, flexible and durable even in cold working conditions due to its outstanding resistance to the effects of weather. It is suitable for chemical, light duty solid, liquid and slurries applications.

Features and Benefits

- Optimal flow is maintained by the smooth bore
- Tough, flexible and durable
- Outstanding resistance to the effects of weather
- Excellent chemical and abrasion resistance
- Lightweight construction for easy handling
- Comes in transparent green, white helix standard colours

Specifications:

Colour	Transparent Green
Inner Diameter	45 mm
Length	10 m
Material	PVC
Reinforced	Yes
Suitable Applications	Chemical, Light Duty Solid, Liquid, Slurries
