

FEATURES

- Excellent UV resistance
- Flame retardant: UL 94V-2 Flammability
- Suitable for a multitude of uses
- Easy to thread and install
- Ideal for use outdoors

RS PRO Natural Nylon Cable Tie, 100mm x 2.5mm

RS Stock No.: 811-1568

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are weather resistant so can be used in outdoor applications. These ties are a one-piece, self-locking fastener and function like straps to keep cables tidy. They are available in a range of sizes. The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off.

General Specifications

Type	Non-Releasable
Colour	Natural
Material	Nylon66
Application	Bundling wire together / applications in industries such as: Cable management, Home/DIY, Garden
Resistant To	Weather Resistant
Fire Behaviour	Flame Retardant
Quantity	100

Mechanical Specifications

Length	100mm
Width	2.5mm
Tensile Strength	78.4N
Maximum Bundle Strength	22mm

Approvals

Standards Met	UL 94V-2
----------------------	----------

Material: UL 94V-2 Nylon 66(Weather Resistant Natural)
